Hey Chelsea -

Y.B.F-
557

Are you really going to be a junior next year? I cannot believe it. It was great talking to you and everything after school about our favorite club and our favorite person (didn't the tennis team picture look complete to you?). At least we don't have to deal with her next year. Have a great summer - I don't care what you say, you're not getting married! If you go to the concert of the summer at the Bowl, buy me a ticket, regardless of cost. I've got to see him up close! Take Care
I'll miss you

Love, Felicia A 85::

P.S. If you don't stop reading so much, you're going to need glasses! :o)

To Chelsea,
who in the hell is chelsea on you!
No seriously I have been thinking
it. The night of D-B-Day Bash looking
really funny in that wood but that's in
the past and we will never let that
live it down will we! Never! When
I see you you have always put
up with me cuz I am your "Best Friends"
sister. Seriously who did you anyway
I know cuz you live here better I just
don't know why I don't say rather think
of it before. You can not you tell I am
just as concerned as Downs ~~ever~~ be
Don't forget me too soon ok.

Denise
Van De Car

Chelsea,
Great to have you for
a class and glad to have you for
a really good person. I like to
be all out to be "awesome" like
you are best of luck during
your year you'll need it.

Wave Goodbye

We teach you the pleasure of physical exercise - team-spirit of games, too, for when you leave school finally you will find that life is a game, sometimes serious, sometimes fun, but a game that must be played with true team-spirit.

2) Exciting is one way to describe our '84 volleyball teams. They followed the "Triple S" formula- skill, style, & spunk. Their togetherness and talent made for an action-packed season against Louisville, Alemany, St. Genevieve, Notre Dame, Corvallis, Chaminade, & Bellermine Jefferson. Half the games were played in our very own auditorium and the other half at the various schools. Here's to an even better season next year. GO TEAM!

Junior Varsity

3) Varsity: Top — Gina Castillo, Midge Sutherland, Lisa Richards, Maureen Meihaus, Elia De La Vega, Kelly Barker, Janette Moon, Darlene Bible (coach), Bottom — Marla Bradley, Katie Liataud, Caprice Green, & Cindy Mora (not present) Junior Varsity: Top — Jenny Siefker, Linda Lemieux, Tawny Blade, Lisa Buch, Anna Martinez, Liz Chambers, Alice Park, Bottom — Letty Saenz, Maria Adaimy, Jeanette Cazade, Lydia Nitti (not present) & Russell Young (coach-not present)

Cheerleading

4) Although sometimes lacking a large crowd to lead in cheer at the games, this year's group did their best to root our teams on to victory. Their pep & enthusiasm showed their real school spirit.

An energetic team rushed up and down the courts this year strutting their stuff for all to see. Dunking, Dribbling, & Dashing was their three D way of accomplishing a thrilling season. Their opponents were; Glendale, Notre Dame, Alemany, Corvallis, Louisville, Chaminade, Bell-Jeff, & St. Genevieve. Plus their tournaments at Hoover, Chaminade, & St. Anthony's. Half of our games were played at Daniel Murphy High School and the other half at the opponents'. Their spirit was tremendous! Yes-the IH Spirit continues on. RAH!

Tennis

This year's tennis team with their Awesome Acing Action placed an outstanding third place in their league. Two ambitious seniors, Erin Maloney and Amy Ivanyi made it to finals! These matches could have been seen at the Vermont Canyon Tennis Courts or at one of the following schools: Louisville, Chaminade, Notre Dame, Corvallis, and Bell-Jeff. We just keep getting better all the time. Let's go, Pandas!

Swimming

Swimming, Splashing, and Stroking from the unbelievable hours of six until seven-thirty every morning, this energetic group formed our '85 swim team. Whether practicing at Hollywood High or competing at the various schools these girls gave their all, including their Saturday mornings, to be the best swimmers in the league. Best of luck to them always. Alright!

Team members (not ordered): Alexie Apeles, Kelly Barker, Alicia Buckley, Fannie Cho, Laura Copas, Rachel Deirmendjian, Johanna Del Regno, Raquel Diaz, Nicki Dintaman, Veronica Doyal, Danielle Gilyot, Erica Gilyot, Lana Golubeva, Veronica Herrera, Vanessa Hopkins, Julie Kim, Katie Kaffer, Veronica Lambrechts, Jenny Langton, Janet Lee, Ione Leitch, Katie Liautaud, Michelle Limo, Monica Melendez, Laura Muelas, Anna Nitti, Linna Park, Halle Pickering, Sandi Raffi, Lorena Santos, Miriam Stettler, Norelle Sugahara, Beth Sutherland, Candice Vinnedge, Elexa Williams, Melissa Ziker, and coach Lemuel Galvao.

This year's softball team with their Batting, Base-running and even some Banging when catching the ball started the season with hopes of being the best in the San Fernando League. The coach felt the team would be competitive with all the other schools-St. Genevieve's, Louisville, Alemany, Bell-Jeff, Chaminade, Corvallis, Notre Dame. Our home games were played at The Hollywood Recreation Center. Although the outcome of the season could not be recorded in the yearbook, it was said that this team's strengths were pitching and catching. But their most important strength was their winning I.H. spirit! Way to go!!

Gymnastics

Tumbling, Turning, and Twisting, this year's champions of the Sunshine League defended their title with hopes of placing first in CIF finals. The meets against Westlake, Marymount, Marlborough, and Brentwood where these gymnasts displayed their talents

were held at the various schools, as well as in our own auditorium that was converted to a gym. Each gymnast brought her own spark to the team making it a completely unique season. I.H. Spirit Forever!!

CULTURE CLUB

Top row: Angelique Blair, Secretary; Christi Peters, Allison Tate, Co-Publicity; Bottom row: Portia Sanders, Vice-President; April Paxton, President; Maria Sims, Treasurer.

In an effort to unite the I.H. family, the Culture Club was created to give each student the opportunity to learn about different cultures. Culture Club President, April Paxton, organized luncheons, bake sales, and several activities; including a trip to Chinatown. And you thought this was a fan club for Boy George...

GERMAN CLUB

The German Club, with the help of moderator Theresa Gilles, was successful in adding a bit of German culture to I.H. Activities included a trip to Alpine Village and a trip to the Hofbrauhaus, where its members dined in the true German tradition.

Left to right: Melinda Smith, Vice-President; Monica Hecht, President; Christi Rosengart, Treasurer and Secretary.

Spanish Club

At various times during the year, students roamed the halls with fresh tacos and burritos in hand. Could it be that the cafeteria has changed its name to Casa I.H.? No, it was none other than a Spanish Club bake sale. This year, the club organized several activities including trips to restaurants and films. The Spanish Club, however, regrets that they were unable to arrive for the club picture because of a two week all-expense paid trip to Acapulco, courtesy of the Mexican government.

French Club

The French Club, led by president Michelle Limo, brought students together to learn about France, its culture, and its people through various activities. Whether you are in French IV or just interested in visiting Paris one day, the French Club invited all students to experience french culture through movies and restaurants.

left to right: Maria Lazado, secretary; Terri Vo, treasurer; Celeste Chong, vice-president; Ana Jan, president; Mary Chang, publicity.

This years Asian Club gave students the opportunity to participate in Asian customs and celebrations and to learn more about the culture as a whole. Members visited an exhibit at the museum, participated in the Chinese New Year celebration, and, of course, supported the ever-popular Asian bake sales.

Film Club

The I.H. Film Club started the cameras rolling this year by inviting all students interested in film, photography, and video to join in on the fun. Led by president Alicia Gargaro, activities included trips to photography showing, films, and a T.V. filming. Who knows? Today, I.H., tomorrow, maybe Paramount . . .

Tiffany Fraser, vice-president and Alicia Gargaro, president.

Marla Bradley, intramural head; Valerie Pang, vice-president; Blanca Kopecky, treasurer; Linda Limieux, pep club; Katie Regan, historian; Katie Liautaud, publicity; Midge Sutherland, president; Chris Ruess, secretary; Simone Najar, publicity; Darlene Bible, moderator. Not pictured: Jennifer Hayes, head cheerleader; Beth Schwartz, head panda.

The G.A.A., Girls Athletic Association, is involved in organizing many activities at I.H. Led by president Midge Sutherland, the G.A.A. organized everything from the school dances to the famous annual ski trip. This year, the club took a group of carefree students and a case of corn-nuts up to the condominiums in June Mountain. The ski trip was a big success thanks to the great accommodations, the great skiing, and, of course, the great skiers.

Viewpoint

Viewpoint has been successful this year in keeping the students informed about the issues at I.H., from Welcome Day to the latest movies. The Viewpoint staff met weekly to think of new, imaginative ideas for each edition of the paper. The paper included articles concerning current events, school issues, movie reviews, and even horoscopes. You may ask, "Just who is running this interesting and informative newspaper?" In true editor fashion, Emily Goldbach responded, "Aren't you glad it's mee?"

The California Scholarship Federation is comprised of a group of dedicated students who have earned membership based on semester grades. Membership is renewed each semester as C.S.F. encourages students to achieve academic excellence. Each student who has been a member for four semesters, including one in her senior year, receives a lifetime membership to C.S.F.

Debate Club

The Debate Club is the newest club welcomed into the Immaculate Heart family this year. The club, introduced in February, held several meetings and debates concerning issues that face the school and the world. Although the club may be planning field trips and other activities, its members are unsure and are debating their plans for the future.

Computer Club

left to right: Alexie Apeles, president; Linda Mangahas, secretary; Theresa Kantar, treasurer. Not pictured: vice-president, Kris Kaiser.

With the growing popularity of computers, the Computer Club is a welcome asset to the I.H. community. Students interested in computers were given the opportunity to learn how to use them and to work with every program from the chemistry tutor to the game programs.

Where does a confused student go when she doesn't understand her geometry, and she has a test next period? To the Math Clinic, of course. The Math Club is designed for those who enjoy math and might need tutoring in a certain math subject. Members can be found explaining proofs and theorems to lost geometry students.

Who was that friendly I.H. girl who took you around at open house and seemed to know the answer to your every question concerning Immaculate Heart? She was a member of 40/40 which is a group dedicated to helping out whenever help is needed. Members can also be seen hosting ring night, awards night, and selling bunnygrams.

Discovery

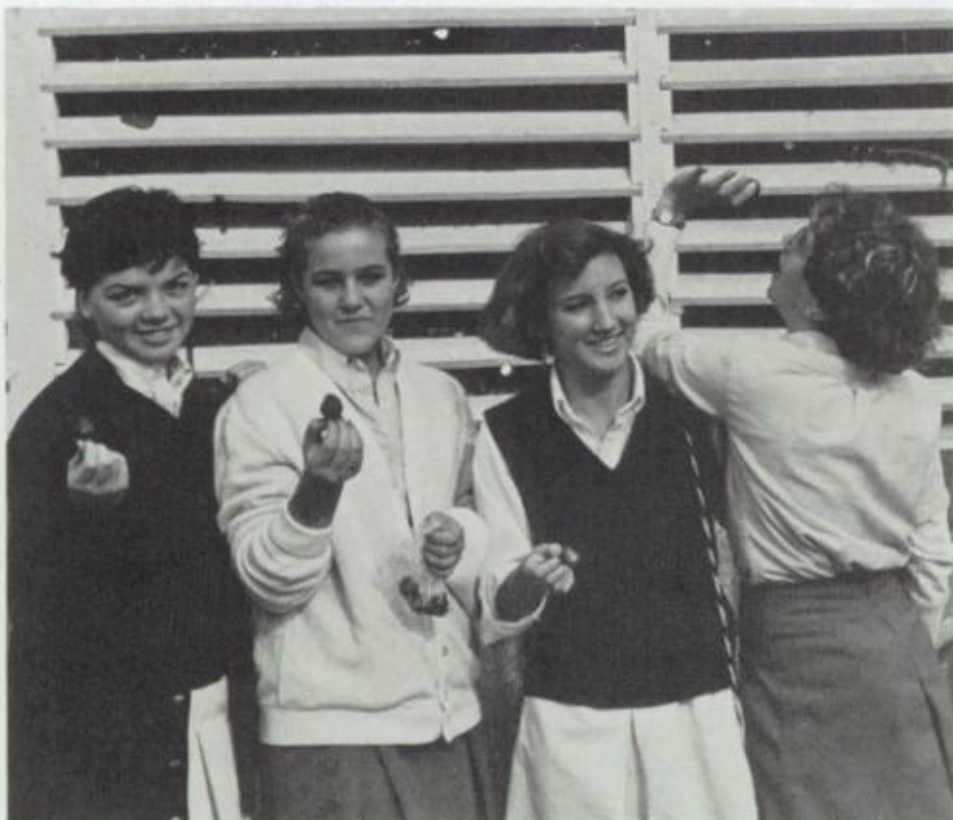

Discovery, I.H.'s science club, brought together students interested in developing better knowledge and interest in all sciences. The club planned many activities this year including a trip to the museum, Catalina, and to the zoo to see the pandas.

Alicia presenting the constitution to Ruth Anne.

This summer 9 students as well as Dawn Ponnet participated in L.I.F.E. (living in faith experience). During the week we learned about ministry and drew up a constitution stating our goals and objectives. We are proud to say that most of these have been realized. A few of them were setting up a chapel, student homilies, and meeting every week. The symbol above represents new life, which we gained from our experience.

One of the high points of some seniors' year is the Kairos Retreat. Kairos literally means "a special time", and indeed it is. Looking back, most retreatants find their experience as difficult to describe as it was rewarding and special. While on Kairos, this year at La Casa de Maria Retreat Center in Santa Barbara, the seniors "learned about themselves, their friendships and relationships with families, and about God." "We felt so loved, so open." All who attended agree it was worth the onslaught of work once they returned, and encourage all underclasspersons to make their own retreat when they are seniors.

A few phrases to rekindle the emotions and laughter and love that predominated Kairos '85: La Casa de Kleenex ... "I'd like you to write this down, please." ... The Alarming Teranananyys ... The Llama Dexters ... The Loud Group That Has To Go Outside When They Talk ... share table ... flower wreaths ... "Tuck yourself in at night" ... "Who's that at the window!?" ... Billy Joe Jack ... Are you also a James? ... Anne's Cookies ... Real things ... music without a meaning ... intense ... jumping into the freezing pool with clothes on ... Aunt Jemima ... ping pong off the walls ... riding horses bareback ... walking to the store at 4 a.m. ... spaghetti-O sandwiches ... substitute radio - us ... no sleep! ... hugs ... more hugs ...

The Immaculate Heart annual 10km. walk took place November 2, 1984 around the Los Feliz neighborhood. The school raised \$43,000. The money will go toward the new pool, a new van, the Middle School computers, and the junior class. This walk was the most successful ever in Immaculate Heart history. Next year we hope to raise even more!

The banners symbolize the unity, joy, and beauty that the rings bring to each junior.

Ring Night

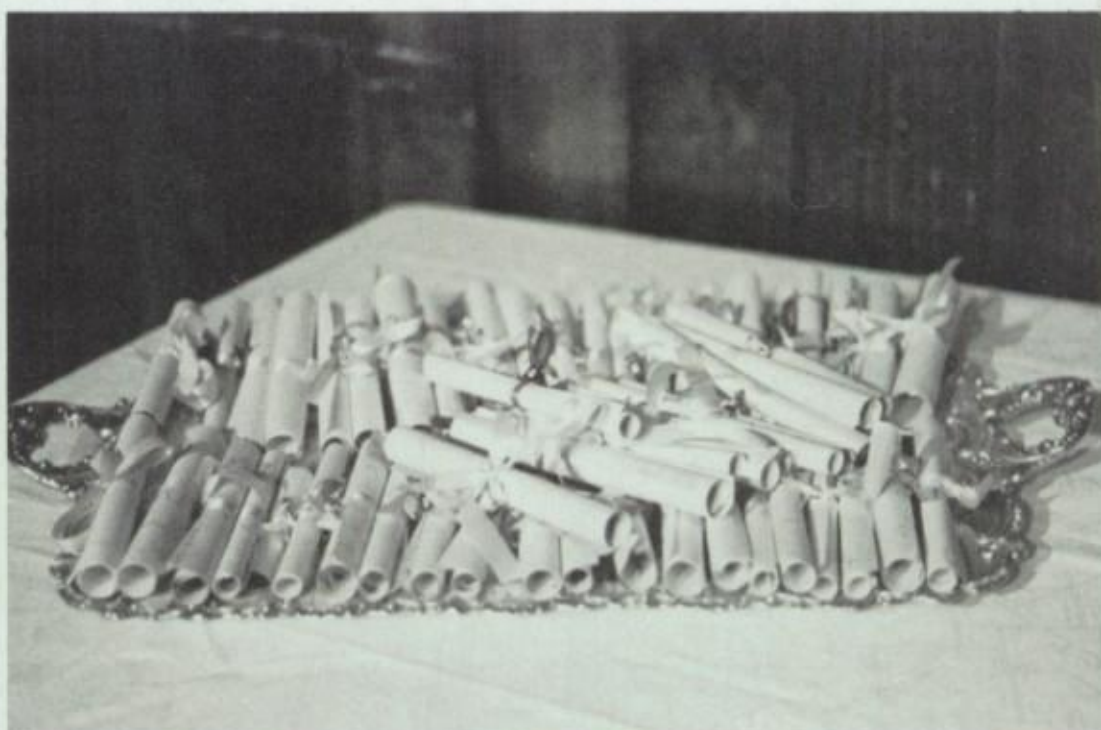

Ring Night-a special moment in every junior's life. With the seniors by their sides the stage was all set for an enchanting evening. The celebrant Fr. Peter Lleo lead the mass and then came the traditional blessing of the rings. Then came the hugs and cheers as the seniors placed the rings on the juniors' fingers on that memorable night of December the seventh.

This tree represented the unity and joy felt by all at this year's Christmas party which began with a beautiful liturgy headed by celebrant Fr. Mike Sentif. Following this was a senior skit, a reading of The Selfish Giant by Mr. Vliet, then Russell Young's monologue, and last but not least, the long awaited production of Rudolf the Red Nose Reindeer by our very own faculty.

Friendship and celebration are synonymous-just like Natalie, Mary, and Deanna!

Each senior makes a personal scroll especially for the junior she rings.

The Math Department prides itself with four wonderful teachers — Sheila, Russell, Firouzeh, and Earl. All completely dedicated to serving The Immaculate Heart girls. They cater to the slower students — for it takes time to catch on and also to the faster ones who have been there and beyond. And with the great help, there's plenty of choices for you — depending on what each of you cares to do.

From Computers to Calculus and of course Algebra II, the Math Department is always there, to make those three years of math a lot easier for you.

The Science Department's goal is for our students to learn enough biological and physical science to live intelligently and responsibly in this century and the next. The knowledge they obtain should:

- help them understand science-related issues
- help them successfully continue their science education at a college level
- help them have the courage to apply their knowledge to their own lifestyles and to become participating citizens in this country and planet.

The goals of the English Department reach beyond helping students to think and write critically and use language responsibly. By developing an appreciation and enjoyment of literature, students learn to be self-reflective, as well as become aware of certain factors: the differences between peoples and cultures, and the role of women in the literary traditions of the world.

Proficiency in a foreign language is an important, useful, and satisfying asset for the I.H. graduate. It is important for a person who is concerned with global issues to be familiar with other languages and cultures. In addition, a working knowledge of a foreign language is useful in research, business, industry and government. Finally, the ever-increasing opportunities for foreign travel promise to give women who can speak a foreign language numerous opportunities to use and enjoy their second languages.

Concerned with the changing society and culture, and the ever increasing dependence for survival on a global perspective, the social studies department endeavors to develop in the students the study and thinking skills necessary to understand and evaluate peoples' ideas, values and ideologies. We also work to create an atmosphere in which students can come to an understanding of how the present society stems from the economic, political and social experiences of the past. This builds in students a sense of their responsibility in using the past and present to understand, be comfortable with and help shape the future.

The Religious Education and Campus Ministry programs have three focal points: sharing the message of Jesus, building the community, and serving the needs of people. The Religious Education program strives to form the philosophical and theological basis upon which students build in order to actively partake in the ministry program. More and more the Religion Department becomes aware of the depth of faith and the hunger for understanding which characterize our students. The diversity of religious faiths and traditions of I.H. students enriches our common search for, and appreciation of, God actively working in our world for our better well being.

We believe that each person can be creative in her own way, and we try to encourage each student to find her way by providing a non-threatening, supportive environment in our classes where students can feel free to enjoy the fun. It is only in this kind of relaxed atmosphere that creativity and self-expression can develop.

We, the Physical Education Department at I.H., believe strongly that physical education is an integral part of the total education. Our department recognizes the importance of Physical fitness, skill development, health, and citizenship. We consider these four areas to be among the main objectives of the department.

The Counseling Department attempts to provide the personal, educational, and social guidance and counseling needed by Immaculate Heart students. Our department supports students as they learn to make responsible, informed decisions and choices about matters which affect their lives as women, as students, and as citizens of a free society.

Our goal in the library is to provide a quiet environment, back-up material for the school curriculum, and materials which will open new doors for the inquisitive browser. We provide books, audio-visual materials, microfilm, and magazines to suit every need. The variety of media gives students alternative learning methods.

Student Council is the governing body of the Immaculate Heart student body. Although the members include all the club & class presidents, and the student body officers, the success of this group is due to many, many other students. Student Council is responsible for organizing and carrying out most of the activities that take place during the school year. The great people involved not only work hard, but they party a lot, too! Student Council members include: Alexie Apeles, * Alice Brancale, Alicia Buckley, *Aimee Cabanding, Adrienne Causey, Aileen Cronin, Christine Eghenian, Nancy Evans, Alicia Gargaro, Emily Goldbach, Monica Hecht, Ana Jan, Michelle Limo, Erica Madlock, Dene Namikawa, April Paxton, Jackie Quesada, *Diana Rincon, Tara Rose, Lulu Sanchez, Margaret Spingola, Midge Sutherland, Tracy Tramel, Jennifer Ung, Robin Warren, *These student council members, for no specific reason, are not pictured in this section.

Dene gives the facts here at this student council meeting, with Alicia, Kris, Jackie, Anne, Dene, Alicia, Frances, and Mary.

Cool shades.

Let's party!

Early record-makers (journalists) of Immaculate Heart.

Yearbook Staff

Aileen Cronin - Editor

Although the yearbook seems to appear magically (with the exception of a few dollars) each June, in reality much time, effort, excitement, and anxiety is spent. Endless arguments, misunderstandings, improvements, changes, layouts, afternoons, and evenings go into making a good yearbook. Our goal as the yearbook staff is to compile and record memories so that we can all have some sort of tangible reminder of our time spent at Immaculate Heart. It is often important to consider our school as well as ourselves through time. We as the Yearbook staff of 1984-1985 sincerely hope that this year's record of teachers, friends, buildings, images, familiar sights, events, and special feelings and moments are captured well and will evoke authentic memories in the years to come.
